

Credit Acceptance Named to the 2018 FORTUNE 100 Best Companies to Work for List by Great Place to Work® and FORTUNE

Feb 19, 2018

Southfield, Michigan, Feb. 19, 2018 (GLOBE NEWSWIRE) -- For the fifth year in a row, Credit Acceptance has been named as one of the *FORTUNE* 100 Best Companies to Work For. The list recognizes companies that have exceptional workplace cultures. We were ranked #61 out of the best companies in America.

Credit Acceptance was selected among hundreds of companies vying for a place on the list this year. Applicant companies opt to participate in the selection process, which includes an employee survey and an in-depth questionnaire about their programs and company practices. Great Place to Work® then evaluates each application using its unique methodology based on five dimensions: credibility, respect, fairness, pride and camaraderie.

Great Place to Work®, creators of the methodology behind the list, has found that employees believe they work for great organizations when they consistently trust the people they work for, have pride in what they do and enjoy the people they work with.

About Credit Acceptance

Since 1972, Credit Acceptance has offered financing programs that enable automobile dealers to sell vehicles to consumers, regardless of their credit history. Our financing programs are offered through a nationwide network of automobile dealers who benefit from sales of vehicles to consumers who otherwise could not obtain financing; from repeat and referral sales generated by these same customers; and from sales to customers responding to advertisements for our financing programs, but who actually end up qualifying for traditional financing.

Without our financing programs, consumers are often unable to purchase vehicles or they purchase unreliable ones. Further, as we report to the three national credit reporting agencies, an important ancillary benefit of our programs is that we provide consumers with an opportunity to improve their lives by improving their credit score and move on to more traditional sources of financing. Credit Acceptance is publicly traded on the NASDAQ under the symbol CACC. For more information, visit creditacceptance.com.
