Jun 23, 2020

Southfield, Michigan, June 23, 2020 (GLOBE NEWSWIRE) -- **Credit Acceptance Corporation (Nasdaq: CACC)** (referred to as the "Company", "Credit Acceptance", "we", "our", or "us") has been named #18 in IDG's Insider Pro and Computerworld 2020 Best Places to Work in IT in the Midsize category.

The Best Places to Work in Information Technology ("IT") list is an annual ranking of the top 100 work environments for technology professionals by IDG's Insider Pro and Computerworld. The list is compiled based on a comprehensive questionnaire regarding company offerings in categories such as benefits, career development and training opportunities. In addition, Computerworld conducted a survey of our IT team, and their responses were analyzed and factored heavily in determining our award ranking.

This is the fifth workplace award that we've received this year as we also received:

- FORTUNE 100 Best Companies to Work For (last seven years in a row)
- Best Workplaces in Financial Services & Insurance (last six years in a row)
- National Best and Brightest Companies to Work For (last eight years in a row)
- 2020 Nevada Top Workplaces

About Credit Acceptance

Since 1972, Credit Acceptance has offered financing programs that enable automobile dealers to sell vehicles to consumers, regardless of their credit history. Our financing programs are offered through a nationwide network of automobile dealers who benefit from sales of vehicles to consumers who otherwise could not obtain financing; from repeat and referral sales generated by these same customers; and from sales to customers responding to advertisements for our financing programs, but who actually end up qualifying for traditional financing.

Without our financing programs, consumers are often unable to purchase vehicles or they purchase unreliable ones. Further, as we report to the three national credit reporting agencies, an important ancillary benefit of our programs is that we provide consumers with an opportunity to improve their lives by improving their credit score and move on to more traditional sources of financing. Credit Acceptance is publicly traded on the Nasdaq Stock Market under the symbol CACC. For more information, visit [creditacceptance.com](https://www.creditacceptance.com).
