Nov 17, 2021

Southfield, Michigan, Nov. 17, 2021 (GLOBE NEWSWIRE) -- **Credit Acceptance Corporation (Nasdaq: CACC)** (referred to as the "Company", "Credit Acceptance", "we", "our", or "us") has been awarded a 2021 Top Workplaces honor by The Detroit Free Press. We ranked #3 among large companies that made the list this year, up two spots from a year ago. This is the tenth year in a row that Credit Acceptance has won a Detroit Free Press Top Workplace honor.

Our ranking was based solely on the results of a team member survey administered by Engeage, LLC, an employee research and culture technology firm. Several aspects of workplace culture were measured based on 15 culture drivers.

This is the ninth workplace award that we've received this year as we also received:

### **About Credit Acceptance**

Since 1972, Credit Acceptance has offered financing programs that enable automobile dealers to sell vehicles to consumers, regardless of their credit history. Our financing programs are offered through a nationwide network of automobile dealers who benefit from sales of vehicles to consumers who otherwise could not obtain financing; from repeat and referral sales generated by these same customers; and from sales to customers responding to advertisements for our financing programs, but who actually end up qualifying for traditional financing.

Without our financing programs, consumers are often unable to purchase vehicles or they purchase unreliable ones. Further, as we report to the three national credit reporting agencies, an important ancillary benefit of our programs is that we provide consumers with an opportunity to improve their lives by improving their credit score and move on to more traditional sources of financing. Credit Acceptance is publicly traded on the Nasdaq stock market under the symbol CACC. For more information, visit [creditacceptance.com](http://creditacceptance.com).
