

## Credit Acceptance Named a 2023 Top Workplaces USA Award Winner

Feb 14, 2023

Southfield, Michigan, Feb. 14, 2023 (GLOBE NEWSWIRE) -- **Credit Acceptance Corporation (Nasdaq: CACC)** (referred to as the “Company”, “Credit Acceptance”, “we”, “our”, or “us”) has been named a Top Workplaces USA Award winner for the third year in a row. This year we again made it into the Top 10 with a #8 ranking in the 1,000-2,499 employee size category.

This is the first workplace award we’ve received this year. In 2022 we received 12 workplace awards, including reaching #49 in the Fortune 100 Best Companies to Work For. Other notable recognition includes People Magazine’s Companies that Care, Fortune Best Workplaces for Women and Computerworld’s Best Places to Work in IT. These honors are important because they reflect and acknowledge our continued commitment to making Credit Acceptance a great place to work.

This Top Workplaces USA Award is based on the results of a team member survey administered last year by Energage, LLC, an employee research and culture technology firm. Our ranking was based on 15 culture drivers including appreciation, values, clued-in leaders, innovation, meetings, interdepartmental cooperation, clued-in employees, direction, meaningfulness, potential, concerns, development, helpfulness, execution and open-mindedness.

### **About Credit Acceptance**

Since 1972, Credit Acceptance has offered financing programs that enable automobile dealers to sell vehicles to consumers, regardless of their credit history. Our financing programs are offered through a nationwide network of automobile dealers who benefit from sales of vehicles to consumers who otherwise could not obtain financing; from repeat and referral sales generated by these same customers; and from sales to customers responding to advertisements for our financing programs, but who actually end up qualifying for traditional financing.

Without our financing programs, consumers are often unable to purchase vehicles or they purchase unreliable ones. Further, as we report to the three national credit reporting agencies, an important ancillary benefit of our programs is that we provide consumers with an opportunity to improve their lives by improving their credit score and move on to more traditional sources of financing. Credit Acceptance is publicly traded on the Nasdaq stock market under the symbol CACC. For more information, visit [creditacceptance.com](#).
