Apr 3, 2025

Southfield, Michigan, April 03, 2025 (GLOBE NEWSWIRE) -- **Credit Acceptance Corporation (Nasdaq: CACC)** (referred to as the "Company", "Credit Acceptance", "we", "our", or "us") has been named one of the 100 Best Companies to Work For® by Great Place To Work® and *Fortune* magazine in 2025. We received this accolade for the eleventh time, ranking #34, up five spots from last year.

*"Our team thrives in an award-winning culture where they love coming to work because they know they can make a difference,"* said Ken Booth, Chief Executive Officer of Credit Acceptance. *"We foster this environment through key cultural practices such as remote work flexibility, actively listening to feedback and implementing meaningful changes, and embracing our PRIDE values—Positive, Respectful, Insightful, Direct, and Earnest."*

With 93% of team members agreeing that Credit Acceptance is a great place to work, the Company is continuously ranked as one of the best places to work. We remain committed to fostering an environment where every team member feels valued, respected, and empowered to thrive personally and professionally.

Other workplace accolades we have received from *Fortune* include Best Workplace for Financial Services and Insurance™, Best Workplace for Millennials™, and Best Workplace for Women™. We have also been named a Top Workplaces USA Award winner, one of *People Magazine's* Companies that Care®, and a Best Place to Work in IT by *Computerworld*, among many others.

Great Place to Work® selected the 100 Best list by gathering and analyzing more than 1.3 million confidential survey responses representing the experiences of more than 8.4 million U.S. employees. Of those, over 670,000 responses were received from employees at eligible companies, and this list is based on that feedback. Organizations are assessed on their efforts to create generous, supportive, high-performance work experiences for every employee in the organization.

### About Credit Acceptance

We make vehicle ownership possible by providing innovative financing solutions that enable automobile dealers to sell vehicles to consumers regardless of their credit history. Our financing programs are offered through a nationwide network of automobile dealers who benefit from sales of vehicles to consumers who otherwise could not obtain financing; from repeat and referral sales generated by these same customers; and from sales to customers responding to advertisements for our financing programs, but who actually end up qualifying for traditional financing.

Without our financing programs, consumers are often unable to purchase vehicles, or they purchase unreliable ones. Further, as we report to the three national credit reporting agencies, an important ancillary benefit of our programs is that we provide consumers with an opportunity to improve their lives by improving their credit score and move on to more traditional sources of financing. Credit Acceptance is publicly traded on the Nasdaq Stock Market under the symbol CACC. For more information, visit [creditacceptance.com](https://www.creditacceptance.com).
